The New Store Bids You Welcome **Formal Opening**

Thursday, October 26th

*The Doors Will Swing Open at 7:30 To-Night Upon
"The Store Complete for Men and Boys."*

In this new building you will behold the realization of our ideal—the concentration of all worth-while modern methods in storekeeping. Neither money, time nor effort were spared to make this store as fine in every respect as brain and brawn could. Elegant in appointment, perfect in equipment, magnificent and refined in arrangement, absolutely dust-proof throughout—it is emphatically a product of the New and Greater Richmond.

Everything that could enhance the comfort, convenience and satisfaction of our patrons has been installed.

But language has limitations, and mere words cannot convey an adequate description.

We cordially invite and welcome you to the New Store—the store which YOU have helped to make possible.
